

Bulk Handling Program

Get Paid to Improve Quality and Yield

Earn \$0.50/gallon

toward bulk handling equipment purchased to put Quantum SDS on your farm.

The **Quantum SDS** line of nutritional products are clean plant nutrient solutions utilizing a patented steady-delivery urea polymer-based technology that delivers nutrients to crops over a 60 to 90 day period. **Quantum SDS** nutritional products promote consistent growth and strong healthy plants. **Quantum SDS** products are compatible with a wide variety of materials and can be applied in a variety of ways including soil banding, surface dribble or spray, fertigation, and of course foliar sprays. **Quantum SDS** products are available in a variety of analysis.

Quantum SDS products are available in a variety of analysis including: 30-0-0, 15-0-12-8S, 5-0-20-13S, 18-0-8-5S.

Quantum SDS with **Power K** products are available in a variety of analysis including: 20-0-8, 6-0-18, 13-0-13.

Quantum SDS 21-0-0 for Corn delivers effective nitrogen and a micronutrient package for critical growth stages in corn. **Quantum for Corn** is especially designed for early V-Stage and VT corn sprays.

Use any **Quantum SDS** product and receive \$0.50 per gallon towards the purchase of any liquid bulk handling equipment used for **Quantum SDS** applications.
See reverse side for details.

Improve growth and vigor and push yields higher by providing essential nutrients when your crops need it most.

Contact your Coastal AgroBusiness Solutions Advisor for more information on how Quantum SDS can help you finish strong.

Email Address:	Contact Phone:	

This incentive program is designed to reimburse customers for the cost of liquid bulk handling equipment used for **Quantum SDS** product applications. Invoices for qualifying equipment must be included unless equipment was purchased from Coastal AgroBusiness. Rebate cannot exceed the equipment costs and must be purchased during the current program year. Rebate is limited to qualifying equipment purchases and will be paid out on qualifying **Quantum SDS** purchases for up to 3 years from original rebate application date. Rebate is calculated using **Quantum SDS** purchases. Form must be filled out completely and submitted by due date. Rebate will be issued in form of a credit to customer's account or processed as check to customer name and address.

Item	Analysis	Gallons Purchased	Rebate Calculation	Amount Earned (\$)
Quantum SDS			x \$0.50/gal	\$
Quantum SDS Power K			x \$0.50/gal	\$
Quantum for Corn	21-0-0 plus micros		x \$0.50/gal	\$
Total				\$
